

West Rainton Primary School swimming attainment

At West Rainton primary school it is important to us that our children leave with proficient skills in swimming for both their personal safety and for health and enjoyment benefits.

Standard at the end of 2016-17 academic year for Year 6 pupils

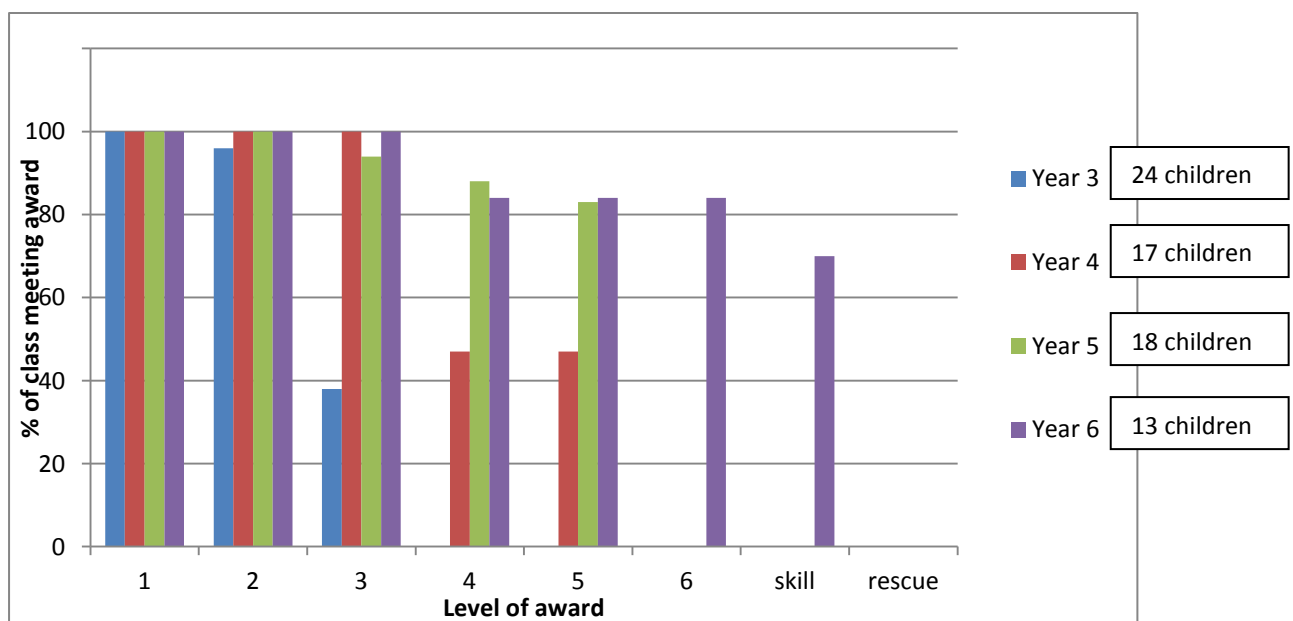

Percentage of Y6 pupils that could swim competently, confidently and proficiently over a distance of at least 25 metres when they left primary school.	84%
Percentage of Y6 pupils that could use a range of strokes effectively (EG front crawl, breaststroke, backstroke) when they left primary school.	84%
Percentage of Y6 pupils that could perform safe self-rescue in different situations when they left primary school.	70%

Throughout Key Stage Two, our pupils are tracked and monitored using the ASA schools' swimming awards system in order to make accurate and effective judgements on standards.

Standards in the current 2016-17 academic year for Key Stage Two pupils

Percentage of Y3 pupils that already meet the expected end of KS2 standard	21%
Percentage of Y3 pupils that could use a range of strokes effectively (EG front crawl, breaststroke, backstroke)	21%
Percentage of Y4 pupils that already meet the expected end of KS2 standard	50%
Percentage of Y4 pupils that could use a range of strokes effectively (EG front crawl, breaststroke, backstroke)	38%
Percentage of Y5 pupils that already meet the expected end of KS2 standard	88%
Percentage of Y5 pupils that could use a range of strokes effectively (EG front crawl, breaststroke, backstroke)	75%

The table below shows the percentage of children in each cohort meeting the stages of the ASA schools award since its introduction in 2015-16 academic year.

38% of pupils in Y6 16/17 at risk of not meeting the expected standard were targeted with top-up sessions in spring 2017.

60% of these pupils progressed to achieve age related expectation by summer.
