

English

In Class 5 we have been reading Skellig by David Almond. During the first weeks back we have written character and setting descriptions. Also, we have written diary entries to explore the feelings of the main characters. Class 5 have also produced some lovely predictions about what might happen to Skellig using inference from the text. We have also written fantastic instructions creating a tasty meal for Skellig using his favourite things.

Computing

In Computing this

PE

A great start to the term for Class 5 in PE as we have already demonstrated our understanding of different passes in netball and footwork techniques. We will soon be playing games to put our skills to the test.

Maths

This term we have been learning about place value in numbers involving up to 6 digits. As well as this, we will be revising our formal methods of addition and subtractions and mental strategies.

Both Year 4 and 5 will also continue to work on our individual maths targets.

Art

This term in Art we are focussing on the topic of Birds. We are learning to use controlled strokes to create careful and detailed sketches of feathers and birds. This topic fits perfectly with our class text Skellig.

History

This term we will be learning about Ancient Sumer, including when and where they existed in the world and learning all about their daily life.

Music

In music this term, we are learning how to play Samba drumming. We have been introduced to our new instruments and have played various rhythms. By Christmas, we will be performing what we have learned as a class.

Year 4/5 Curriculum Map Autumn 1

Science

In Science this term, we will be learning about Earth and Space, including the names and order of the planets. As well as how we get day and night.

Languages

Bonjour! This term Class 5 are going to the French market and will be learning the names of different fruit and vegetables, as well as using money to buy and sell in French.
