

## English

In year 3 this term, we are reading Charlotte's Web by E. B. White. We will be producing lots of excellent writing from this book including reports about spiders and instructions about how to spin a web. We will also be writing our own poems and newspaper reports about Wilbur and Charlotte. We will also be looking at the main moral and theme of this book, which is friendship and loyalty.

## Maths

This term we will be recapping our knowledge of column addition and subtraction as well as using this knowledge to solve problems involving reasoning. We will also be learning about the properties of shapes and different lines. In year 3 we will also continue to work on our individual maths targets.

## Art

This term in Art year 3 are focussing on British Art and we will be using a range of media to create different pieces of artwork including landscapes. From this, we will look at different British artists including Thomas Gainsborough and Sonia Boyce.

## Computing

In computing this term, we will be looking at Internet Research and Communication. We will be looking at how to communicate and research safely online.

## PE

This term year 3 will be taking part in a variety of games with SAFC. We will also be learning the rules of tennis and getting ready to play tennis in our summer tournament!

## Science

In Science this term, we will be learning about Forces in Motion. We will be investigating different forces including pushes and pulls, as well as how the interact with different surfaces.

## Music

This term in Music, we will be using instruments to explore pitch and beat. We will also be listening to music by different composers.

## Languages

Bonjour! We have nearly had a whole year of French and we are still enjoying learning a new language. We have learned lots of vocabulary and are beginning to use this to write in full sentences about our likes and dislikes.
