

Humanities

In history we are finding out about Guy Fawkes and the Gunpowder Plot. In geography we are learning about the different continents and countries.

Science

Within our science lessons we are focusing on animals and humans. We will look at this in different ways including; offspring, food chains, healthy living and adaptations.

Music

In music we will be developing rhythm and beat to understand different types of music.

RE

In our RE lessons we are focusing on Christianity. We are developing an understanding about the Christian faith.

Year 2 Autumn Topics

Computing

In our computing we are developing our skills on 'Word Processor' to change the style, colour and size.

PE

During PE we will be developing our throwing and catching skills in a range of exciting games.

English

In English we are reading 'The Owl Who Was Afraid of the Dark'. We are using different writing styles to understand the feelings of different characters.

Maths

In maths we are focusing on 2 digit numbers, we will be using different mathematical operations to create an in-depth understanding. We will then progress to looking at 2D shapes.

Art

During art we are focusing on the artist 'Henri Matisse'. We are being creative by 'painting with scissors' to create a collage.
