

HOLOCAUST
MEMORIAL
DAY 27/1

On behalf of Durham County Council, I wanted to write to give my sincere thanks for your school taking part in the Holocaust Memorial Flame Art Project. It was an important commemorative project to mark the 75th Anniversary of the liberation of Auschwitz. I was truly amazed by the standard of the artwork we received, and it played an important part in our exhibitions at County Hall, Durham, East Durham College and Durham Cathedral.

I would be grateful if you could pass on my thanks to the young people and staff involved in this project.

Kind Regards,

Cllr Angela Surtees

Portfolio Holder for Social Inclusion
