

What have we achieved and where next? At West Rainton Primary School we plan for improvement against the following 5 key indicators: 1.The engagement of all pupils in regular physical activity-kick starting healthy lifestyles. 2.The profile of P.E. and sport being raised across the school as a tool for whole school improvement. 3.Increased confidence, knowledge and skills of all staff in teaching P.E. and sport. 4.Broader experience of a range of sports and activities offered to all pupils. 5.Increased participation in competitive sport.

### **P.E. and Sport Premium Impact 2020-21**

Key priorities to date: (5 key indicators)	Key achievements/What worked well:	Key Learning/What will change next year:
<ul style="list-style-type: none"> <li>Physical and mental wellbeing to be aligned in P.E. curriculum. <b>(Key indicator 1)</b></li> <li>Sports leadership programmes for children. <b>(Key indicator 2)</b></li> <li>CPD for all KS1 and KS2 staff. <b>(Key indicator 3)</b></li> <li>Pupil led physical/mental wellbeing school improvements. <b>(Key indicator 4)</b></li> <li>Intra-school sports. <b>(Key indicators 5)</b></li> </ul>	<p>After consultations with the Association for Physical Education about purely focussing on wellbeing alone, it was decided that a broad P.E. curriculum focussing on quality teaching and opportunities was key to promoting wellbeing. Youth Sport Trust My Personal Best programme was purchased and will be administered across all year groups in 2022.</p> <p>Sports leadership programmes for children (Key indicator 2), CPD for all KS1 and KS2 staff (Key indicator 3), Pupil led physical/mental wellbeing school improvements (Key indicator 4) and Intra-school sports (Key indicators 5) will all be included in 2021-22 P.E. and Sport Premium Plan due to the impact of the COVID-19 pandemic during 2020-21.</p>	<p>In 2021-22 the Youth Sport Trust, My Personal Best Programme, will focus on the whole pupil, rather than just skills and tactics. This programme uses three areas alongside skill progression: Healthy Me, Social Me and Thinking Me. This will be analysed through case studies and pupil feedback.</p>
