

English

We are working with a text again this half term. Our brand new book is called 'The Last Bear' by Hannah Gold. In every lesson, we will be striving for wonderful writing that meets our targets in our books, and the ones we are set daily! It is so important that our writing is broad, and includes the grammar elements that are so important in the use of Standard English. We are also embracing our work on the reading spine, with a range of non-fiction texts to support our learning.

Art/DT

We have started a unit on European artists this half term, before we move on to working on a food technology unit in DT.

Maths

In maths, we will begin with looking at place value up to five digits. After looking at addition and subtraction, we will be looking at 2D and 3D shape, as well as symmetry. Times tables will be a daily focus, as well as learning other number facts. We may have one or two pieces of homework a week depending on the topic. Make sure you practise your times tables at home with Rockstars!

Class 4 Curriculum map Summer term 2023

RE

We are finding out about the faith of Sikhism, which will lead to a trip to the local Gurdwara to find out more.

PE

Athletics is our main unit this half term, before we move on to request sports after half term. We will also be working on skills for sports' day!

Music

This term, we are working on our recorder pieces again, with the goal of knowing 3 notes well. We will also do some work on the BBC Ten Pieces.

Languages

This term we will be learning French and German. This will include: basic greetings, numbers to 20, family, months of the year and colour.

Computing

We will be looking at programming this term!

Science

This term, we are growing plants, before finding out about sounds, and how it is produced.

History/Geography

Our deforestation project will be fascinating in geography, before moving on to work on the Anglo-Saxons and Scots in history.
